

Caledonia Nordic Ski Club-Newsletter Sept 2002

Presidents Message

A new ski season is approaching and I am looking forward to getting on the snow. As you may or may not be aware, at our AGM in April we changed our fiscal year end to midsummer. As a result we are required to have a second AGM this year and future AGM's will be in September. I look forward to seeing you there, we are looking for input and ideas to improve your club. As well we have to re-elect the executive and we need nominations for the position of membership coordinator.

Also in this newsletter is the 2002-2003 membership form and a membership survey prepared by Bruce Bennet and Miles Cline. All members are encouraged to fill out the survey and return it with the membership form.

Call Tim Roots - President @ 561-7424 for more information
