

Santa Ski

Word has been received that Santa and Mrs Claus along with some elves will be visiting the Caledonia Nordic Ski Club on Sunday 21 December to meet children and take gift requests.

Santa has found time in his busy schedule to be at the Biathlon Cabin between 4:30 and 6:30 pm. All those wanting to meet Santa may ski or walk (not in the tracks please) from the upper parking lot to the Biathlon Cabin along a torchlit trail.

Please dress appropriately and bring additional flashlights as required. It is approximately 1500 m from the parking lot to the Biathlon Cabin and we cannot guarantee that the torches will remain lit until 6:30
