Instructions for any volunteers on course, stadium, or range:

The first aid room is located in the front of the lodge to the left of the wax room. If you observe any person in need of first aid or emergency support please contact your respective chief either by radio/phone or in person or go to the first aid room. Let them know where you are, the nature of the emergency, and the bib number of the competitor. From there the Chief will notify the Ski Patrol. If the injured person is blocking a ski trail and are able to move off of trail under their own power please ask them to do so. If they cannot move off the trail leave them where they are until the Ski Patrol arrives. Have another person go down the trail and warn oncoming traffic of the situation and ask that they ski slowly by injured person, but to continue the competition.

Toboggan

The Ski Patrol will have a snowmobile and toboggan on standby for the all days of the competition. Another toboggan loaded with splints and blankets is located near the Rental Shop strapped to the wall. Please notify the ski patrol before taking any of the equipment.

Snowmobile Drivers

The first aid team can drive the snowmobile. If not available, some of the Competition volunteers are trained in snowmobile operation. See in-charge list to locate them.
